**A primary logo** is your brand's main, official mark containing your full business name and key design elements.

**PRIMARY LOGO BEST USED FOR** Business cards, Website headers, Signage, Contracts, Email signatures, and anywhere your brand needs to make an official, complete impression.

**A brandmark** is a simplified icon version of your logo, designed to be instantly recognizable without text.

**BEST USED FOR** Social media profile photos, Footers, and Watermarks, where a clean icon can represent your brand at smaller sizes or in more subtle applications.

## COLOR PALLET

A custom color palette is your brand's unique combination of colors that creates visual consistency and recognition.

### WHO AM I?

I'm Lanasia Angelina and nothing is more fulfilling to me than being a part of life-altering experiences that transform a person's trajectory.

As a certified life coach and NLP Practitioner, I help thriving professionals to reach beyond their current level of achievement in order to access the next level within their lives.

After almost a decade of service as a leader within the youth development non-profit sector, I soon learned that the work is continual. If you're heading in the right direction, your life will be a never-ending journey of new levels. Each level requires a new version of yourself and a new approach for successful navigation.

As a coach, I serve as the navigation guide that leads you to that greater level.

My philosophy is that **"Everything you need is already within you"**. My empowering coaching style will enable you to achieve more success, foster healthier relationships and experience greater fulfillment by challenging you to see beyond your world perceived limitations and into a world of
